

Seg 2 · 19–33s · peak 0.78

A **person** wearing a **dark** hoodie approaches a **cashier** at a **store counter**. The **individual** appears to be **holding** an **object** that resembles a **firearm**, **pointing** it towards the **cashier**. The **cashier** leans forward, possibly complying with demands or reacting to the **threat**. The **individual** then moves away from the **counter**, suggesting a **robbery** in progress. The...

Seg 3 · 40–47s · peak 0.75

The **anomaly** involves a **robbery** in progress. In the first frame, an **individual** wearing a **dark** hoodie and mask is seen **holding** a **firearm**, **pointing** it at the **cashier** behind the **counter**. The second frame shows another masked **individual** **entering** the **scene** from the right, also appearing to be involved in the **robbery**. Both **individuals** exhibit...

Seg 4 · 51–71s · peak 0.72

The sequence depicts a **robbery** at a **convenience store**. Two **individuals** wearing hooded masks **approach** the **counter**. One **person** stands near the **cashier** while the other leans over the **counter**, appearing to demand money or items. The **cashier**'s hands are visible, suggesting compliance with the **robbers**' demands. The interaction progresses with the masked...
